

Preface

2016 International Conference on Electronic, Information and Computer Engineering (ICEICE 2016) will be held in Hong Kong, during April 26-27, 2016. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. We warmly welcome previous and prospected authors submit your new research papers to ICEICE2016, and share the valuable experiences with the scientist and scholars around the world.

In this conference, we received more than 500 submissions from email and electronic submission system, which were reviewed by international experts, and about 188 papers have been selected for presentation, representing 8 national and international organizations. I think that ICEICE 2016 will be the most comprehensive Conference focused on the Computer Application Engineering, Information Science and Engineering Application.

We would like to thank the conference chairs, organization staff, the authors and the members of International Technological Committees for their hard work.

We hope that ICEICE 2016 will be successful and enjoyable to all participants.
