Dear Professor / Sir / Madam,

Statement of Peer Reviewing Process in IConGDM 2016

As the scientific editor appointed for the conference, I hereby witness that all papers accepted to the 2nd International Conference on Green Design and Manufacture 2016 (IConGDM 2016) are handled using a peer-reviewed system.

You may contact me or the secretariat committee should you need further information about the details of the peer-reviewed process handled in this conference.

Thank you.

Best Regards,

Prof. Dr. Safian Bin Sharif,
