

# Preface

2018 International Conference on Aeronautical, Aerospace and Mechanical Engineering (AAME 2018) provided a forum for accessing the most up-to-date and authoritative knowledge from both industrial and academic worlds, sharing best practices in this exciting field. AAME 2018 was held in Curtin University, Malaysia, during the period June 28-30.

The event was held with presentations delivered by researchers and scholars from the international community, including keynote speeches and highly selective lectures.

The proceedings included papers which were from universities, research institutes and industries. All of the papers were subjected to peer-reviewing by conference committee members and international reviewers. The papers selected for the proceedings depended on their quality and their relevance to the conference. Studies presented in this volume cover the following topics: Mechanical Dynamics and Vibration, Mechanical Strength, Casting Technology and Equipment, Welding Technology and Equipment, The Machine Assembly Process, Non-metallic Processing, Aerospace Systems and Technology, Aerodynamics and Aeroelasticity, etc.

We would like to take this opportunity to thank many people. First and foremost we want to express our deep appreciation to keynote speakers, Prof. Ir. Dr. Mohd Hamdi Bin Abd Shukor from University of Malaya, Malaysia; Prof. Dr. Nawaf Hazim Saeid from Universiti Teknologi Brunei, Brunei; Prof. Sujana Debnath from Curtin University Malaysia, Malaysia; Prof. Andrew Ragai Henry Rigit from Universiti Malaysia Sarawak, Malaysia; Prof. Rosli Bin Ahmad from Universiti Tun Hussein Onn Malaysia, Malaysia.

We would like to thank the committee members for their hard work in making sure a smooth running of this conference. Many thanks to the reviewers for their excellent job to maintain the academic quality of this conference. Special thanks is expressed to Curtin University, Malaysia, who kindly gave us support.

Final thanks go to all authors and participants at AAME 2018 for helping to make it a successful event.

With our warmest regards,  
AAME 2018 Organizing Committees
