

# Preface

2018 6th International Conference on Traffic and Logistic Engineering (ICTLE 2018) provided a forum for accessing the most up-to-date and authoritative knowledge from both industrial and academic worlds, sharing best practices in this exciting field. ICTLE 2018 was held in Bangkok, Thailand, during the period August 3-5.

The event was held with presentations delivered by researchers and scholars from the international community, including keynote speeches and highly selective lectures.

The proceedings included papers which were from universities, research institutes and industries. All of the papers were subjected to peer-reviewing by conference committee members and international reviewers. The papers selected for the proceedings depended on their quality and their relevance to the conference. Studies presented in this volume cover the following topics: Transportation Safety, Transportation Planning, Emergency Response Systems and Technologies, Intelligent Transportation Systems, Energy Saving and Alternative Energy, Automotive Exhaust Treatment and Environment Protection Technologies, New Technology on Transportation Infrastructure (Pavement, Bridge), Highway Maintenance and Management, etc.

We would like to take this opportunity to thank many people. First and foremost we want to express our deep appreciation to keynote speaker, Prof. Roberto Montemanni from Dalle Molle Institute for Artificial Intelligence (IDSIA)&University of Applied Sciences of Southern Switzerland (SUPSI), Switzerland; Prof. Kannapha Amaruchkul from National Institute of Development Administration (NIDA), Thailand; Prof. Khair S. Jadaan from University of Jordan, Jordan.

We would like to thank the committee members for their hard work in making sure a smooth running of this conference. Many thanks to the reviewers for their excellent job to maintain the academic quality of this conference. Special thanks is expressed to local chair, Prof. Pongchanun Luangpaiboon, Thammasat University, Thailand, who kindly gave us support.

Final thanks go to all authors and participants at ICTLE 2018 for helping to make it a successful event.

With our warmest regards,  
ICTLE 2018 Organizing Committees
