The authors, Cosmin Rus, Răzvan Marcuș and Olimpiu Stoicuța, regret that this article is an accidental duplication of an article that has already been published: <https://www.mathworks.com/matlabcentral/fileexchange/52456-analyzing-traffic-using-a-webcam-a-raspberry-pi-and-thingspeak>. The duplicate article has therefore been withdrawn. The Guest Editors have given their approval for this decision.
