

Preface

The International Conference on Science and Technology (ICST-2022) is an annual international conference initiated by 13 universities in Indonesia. This year, the Faculty of Engineering Universitas Pembangunan Nasional Veteran Jakarta will be the hosting for the 5th ICST-2022. This event will be held on September 28-29 in Jakarta with the theme “**Science and Technology Innovation on Post Pandemic Through Society 5.0**”. The main purpose of this conference is to build a platform that allows academics as well as other relevant stakeholders to share, discuss and deliberate their latest findings in the field of Engineering and Technology, Earth and Environmental Sciences, Computer Science, Mathematics, and Natural Sciences.

Selected papers that have been through the peer review will be published in MATEC Web of Science and indexed by Web of Science. We respectfully request that you join us to ICSS 2022. We look forward to welcoming you to Depok, West Java In 2022.
