

Acknowledgement

The editors and organizing committee of the International Conference on Mechanical and Materials Engineering (ICMME 2025) sincerely acknowledge the valuable support and contributions of all individuals and institutions that helped make this conference a success.

We gratefully acknowledge the continuous encouragement and support provided by the administration of Jaypee University of Engineering and Technology, Guna (M.P.), India, for facilitating the organization of this conference.

The editors extend their sincere appreciation to the distinguished keynote speakers, invited experts, and session chairs for sharing their expertise and valuable insights, which greatly enriched the technical discussions and academic interactions during the conference.

Special thanks are also due to the reviewers and members of the Technical Program Committee for their careful evaluation of the submitted manuscripts and their constructive comments, which significantly contributed to maintaining the high academic quality of the proceedings.

We would also like to express our gratitude to all the authors and participants whose research contributions and active participation made ICMME 2025 a productive platform for knowledge exchange and scholarly interaction.

Finally, the editors acknowledge the dedicated efforts of the organizing committee members, faculty members, research scholars, and student volunteers, whose commitment and teamwork ensured the successful organization and smooth conduct of the conference.
